RE: CLINTON "PAT" HINTON
CASE NO: 99-41638

Obj to Conf.

We received a Chapter 13 petition on the above referenced customer(s). We object to the plan as Les Schwab Tire Centers should be listed as a secured creditor. Les Schwab Tire Centers has a Purchase Money Security Interest in consumer goods, as per the terms of our Security Agreement, a copy of which is attached.

Our estimated value of the collateral is \$278.31. If your client does not agree to this value, please have your client contact our Twin Falls Les Schwab Tire Center at (208) 734-7555 to arrange for a tread depth reading. Since tires lose their value, we would appreciate this appointment being made within the next 10 days.

Unless we are able to reach an agreement regarding the value of our client's collateral, and treatment under the plan, we will be forced to file an Objection and request a Valuation Hearing.

Thank you for your prompt attention to this matter.
